

BURLPRES CHURCH REOPENING TEAM (CRT) UPDATE

burlpres Church Masking Options Beginning Sunday 3.13.22

Beginning Sunday 3/13, for those fully vaccinated and boosted, masks are optional. Based on a review of the recent data on new Covid-Omicron cases and hospitalizations, the Burlpres Church Reopening Team (CRT) and Session will provide the option to unmask while in any indoor space at Burlpres beginning this Sunday 3/13. This option is open to adults who are fully vaccinated and boosted. We are waiting on updated school district guidance for school-age children, before updating our recommendations for kids and students. Program leaders may require additional precautions for their groups. We continue to recommend masking, per medical data, and ask that everyone respect the individual choices that people make whether to wear a mask or not. We will continue to monitor the County and school district guidance as decisions are needed in the future.
